It's less than a week now until the Nov. 5 general election, and absentee voting in Hancock County is going strong. “We currently have 2,646 absentee ballots that have been cast,” Hancock Circuit Clerk Kendra Necaie said Tuesday morning.

Necaie said absentee voting would continue in her office from 8 a.m.-5 p.m. today and Friday, and from 8 a.m.-noon on Saturday. Saturday is the deadline to cast an absentee ballot in person.

Those wishing to vote absentee must present some form of identification, such as a driver's license, Necaie said.

While the U.S. Presidential election has captured most of the national attention over the past few months, there are also several local and district races on the ballot next week.

In the U.S. Senate race, Democrat Ty Pinkins is challenging incumbent Sen. Roger F. Wick-er, a Republican.

The Rotary Club of Bay St. Louis on Friday officially kicked off its celebration of 100 years of service to the community when members unveiled a 100th Anniversary Centennial display outside of the Bay St. Louis Community Hall at 301 Blaize Ave.

The Rotary Club of Bay St. Louis was official- ly chartered on July 29, 1925, and in their first year they led the effort in getting a certified Chamber of Commerce for the city, which in turn promoted com- merce and tourism. Over the past one hundred years, the Rotary Club of Bay St Louis has completed nearly one thousand service projects, and has a past and present membership consisting of many highly respected community and business leaders.

After Hurricane Katrina in 2005, Rotary Clubs from across America and around the world were instrumen- tal in working together to bring a new Community Hall to Bay St Louis. In commemoration of the one hundredth anniversary of the Rotary Club of Bay St Louis (1925-2025), this new Centennial Display will

SPECIAL TO THE ECHO

The Mississippi Chapter of the American Planning Association (APA-MS) is proud to announce that Mike Reso, current City Clerk and Chief Financial Officer for Bay St. Louis, has been awarded the prestigious Planning Advocate Award for 2024. This honor recognizes Mr. Reso's outstanding contributions to advancing and promoting the cause of planning in the public arena.

With a distinguished career spanning many years in chief executive roles across two Mississippi Gulf Coast communities, Mike Reso has consistently demonstrated an unwavering commitment to comprehensive planning as a cornerstone of effective municipal governance and management.

"Mike Reso exemplifies the qualities we

look for in a Planning Advocate," said Ginger Lowrey, AICP, President of APA-MS. "His innovative approaches, tireless dedication, and tangible results have not only transformed the communities he's served but have also elevated the importance of planning throughout our state."

Key achievements that led to Mr. Reso's selection include:

- Initiating two comprehensive city planning processes
- Spearheading two comprehensive development code rewrites
- Implementing Mississippi's longest protected bike lane
- Establishing plan-consistent economic development programming
- Championing public engagement in the planning process
- Empowering planning commissioners through sponsored training initiatives

Mr. Reso's impact extends beyond his direct work in Diamondhead and Bay St. Louis. His efforts have resulted in heightened awareness and appreciation for planning across the Gulf Coast Region and the entire state of Mississippi.

"I am deeply honored to receive this award," said Mike Reso. "This recognition reaffirms the critical role that planning plays in building vibrant, sustainable communities. I share this honor with the dedicated citizens, colleagues, and elected officials who have supported and contributed to our planning initiatives."

The Planning Advocate Award will be presented to Mr. Reso at the upcoming Joint Conference of the Mississippi and Alabama

Chapters of the American Planning Association on October 17, 2024, in Tuscaloosa, Alabama. This joint conference provides an opportunity for planning professionals from both states to gather, share knowledge, and celebrate outstanding achievements in the field.

About the American Planning Association, Mississippi Chapter:

The Mississippi Chapter of the American Planning Association is a professional organization representing the field of urban and regional planning in the state. APA-MS is dedicated to advancing the art, science, and profession of good planning -- physical, economic, and social -- to create vibrant communities that offer better choices for where and how people work and live.

Hancock Historical Society Cemetery Tour

ECHO STAFF

On Halloween night, the Hancock County Historical Society will host its annual Cedar Rest Cemetery Tour from 4:30-6:30 p.m., with hot dogs and refreshments courtesy of Edmond Fahy Funeral Home at the Kate Lobrano House, 108 Cue St., after the tour.

If the weather turns bad, the "ghosts" will appear at the Kate Lobrano House instead of the cemetery.

During the tour, Historical Society members dress as historical "residents" of the cemetery, telling stories from their lives at their grave sites.

The cemetery is located at 200 Second Street and houses 2,418 graves.

SPECIAL TO THE ECHO

Personal Injury Attorney Brehm Bell and the Hancock County Historical Society are pleased to announce a special event honoring the founding communities displaced during the creation of the Stennis Space Center. The free luncheon event, titled "Roots to Rockets," will take place on Saturday, November 2nd, at noon

at the Pearlington Community Center.

All those who were directly displaced by the creation of the Space Center, are encouraged to attend.

The gathering is a tribute to the residents of Pearlington, Gainesville, Napoleon, Santa Rosa, Logtown, and Westonia who were relocated in the early 1960s to make way for NASA's main rocket testing facility,

known then

as the Mississippi Test Facility and now, Stennis Space Center. The government's acquisition of 125,000 acres of land led to the uprooting of long-established communities, and many of the individuals who made this sacrifice are no longer with us.

Brehm Bell, who grew up in Pearlington, has long been moved by the stories of these dis-

placed families and is dedicated to preserving their remarkable experiences. "As I get older, I realize how important it is to capture and honor

Rep. Mike Ezell, Republican, is facing Craig Elliot Raybon, a Democrat.

There are also two nonpartisan judicial elections on next week's ballot.

Incumbent Dawn H. Beam, Supreme Court Justice District 2, Position 2, will face challenger David P. Sullivan.

In the Court of Appeals District 5, Position 2 race, the candidates are Chief Assistant District Attorney Ian Baker, Chancery Judge Jennifer T. Schloegel and Amy Lassitter St. Pé.

There are three non-partisan Hancock County election commissioner positions on next week's ballot, including:

- Election Commissioner 1 — Reba Perry McCaleb is running unopposed.
- Election Commissioner 3 — Eugene Joseph “E.J.” Bice is running unopposed.
- Election Commissioner 5 — Breezy Bice is running unopposed.

There are also two Hancock County school board positions on the ballot. Kodie Koenenn is running unopposed for District 3 and Jennifer Seal is unopposed for District 4.

There is one position for the Bay-Waveland School Board of Trustees on the ballot, and incumbent Mike Bell is running unopposed to retain that seat.

The logo for Edmond-Fahey Funeral Home is located in the top left corner. It features a detailed crest with an anchor at the base. The shield on the crest contains a figure, possibly a saint or a religious icon. Above the shield is a cross. To the right of the crest, the text 'EDMOND-FAHEY' is written in a large, bold, serif font. Below this, 'FUNERAL HOME' is written in a smaller, all-caps, sans-serif font. At the very bottom of the text block, 'SINCE 1895' is written in a small, all-caps, sans-serif font.

Flag Retirement Program

Edmond Fahey Funeral Home works with local residents and the veterans services organizations to properly retire any U.S. flag that has reached the end of its service.

Our program is designed to honor our national heroes, our military veterans, and to give dignity to our American Flag when it is no longer worthy of display.

We strive to see that each veteran being cremated has a flag. There is no charge for this service to our veterans.

According to the United States code, Title 4, Chapter 1, Subsection 8: "The flag, when it is in such condition that it is no longer a fitting emblem for display, should be destroyed in a dignified way, preferably by burning."

If you would like to honor a deceased veteran by donating an aged or worn flag to be properly disposed of, you may do so by delivering the flags to our funeral home located on the corner of Necaie Avenue and Main Street.

"We pledge allegiance to the Flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all."

A close-up, artistic rendering of the American flag is positioned at the bottom of the page. The flag is shown in a dynamic, flowing manner, with the red and white stripes curving and the blue field with white stars visible. The colors are vibrant, and the texture of the fabric appears to be captured with detail.

the stories of those who sacrificed so much for our nation’s space exploration efforts,” Bell stated.

The “Roots to Rockets” reunion aims to provide a platform for the older generation of displaced residents to reconnect, reminisce, and share their experiences. Attendees are encouraged to bring and display personal memorabilia, contributing to a collective archive of their heritage.

In addition to a lunch provided for all guests, this project includes scheduling interviews, to be conducted by a professional videographer. The goal is to record oral histories, ensur-

ing that these valuable stories are preserved for future generations. These interviews will be conducted in the weeks before and after the reunion. These recordings will be accessible to the public through the Hancock County Historical Society and the Hancock County Library System.

The event promises to be a poignant and meaningful occasion, celebrating the contributions and resilience of those who played a part in a pivotal chapter of American space history.

SAMHAIN

“Halloween was confusing. All my life my parents said, ‘Never take candy from strangers.’ And then they dressed me up and said, ‘Go beg for it.’” — Rita Rudner.

Today, is Halloween, the day where people play dress-up and walk around from home to home or trunk to trunk asking for handouts, they haven’t earned.

That’s the part that’s always seemed so funny to me. People who rally against social programs that benefit the needy are often enthralled by this holiday and often host trick-or-treating events or “Fall Festivals” to hand out candy and other treats.

Halloween has never been my favorite holiday, but I’m always interested in the historical context of such celebrations. And, not surprisingly, Halloween origins are way more meaningful than the commercialized, capitalistic, and sugar high it is now.

According to history.com, the origins of Halloween date back to the ancient Celtic festival of Samhain. About 2,000 years ago, the Celts, who lived in the area that is now known as Ireland, the United Kingdom, and northern France, celebrated their new year on Nov. 1.

That day marked the end of summer and harvest and the beginning of the dark, cold winter, which was often associated with human deaths, the website states.

“Celts believed that on the night before the new year, the boundary between the worlds of the living and the dead became blurred,” history.com states. “On the night of Oct. 31, they celebrated Samhain, when it was believed that the ghosts of the dead returned to Earth. In addition to causing trouble and damaging crops, Celts thought that the presence of the otherworldly spirits made it easier for the Druids, or Celtic priests, to make predictions about the future. For a people entirely dependent on the volatile natural world, these prophecies were an important source of comfort during the long, dark winter.”

During the Samhain celebration, Druids built sacred bonfires, where they gathered to burn crops and animals as sacrifices to the Celtic deities, the website states. The Celts also wore costumes, consisting of animal heads and skins, and attempted to tell each other’s fortunes.

Hancock History: The Kiln

The Kiln is an old town or commercial center/port that has played an important role in the history of Hancock County. In spite of episodic boom and bust, this community has survived as a center of gravity for commerce and industry and is actually flourishing and growing in the Twenty-First Century. This town is on the Jourdan River which is a navigable waterway at a time when there were no highways and land transportation of goods was impossible. Early French settlers built kilns to manufacture charcoal and naval stores from pine tree sap for caulking wooden ships. These products were sent to New Orleans and Mobile. For this reason the village, eventually, affectionately became known as “The Kiln.”

By 1900 the Kiln had become a busy port site with multiple, flourishing, codependent industries such as timber mills, turpentine kilns, shipyards, and farmers that provided food,

mules, trained oxen, animal feed, and horses to the loggers. In 1913, Edward Hines (1863-1931) built a giant mill on the river called the Jourdan River Lumber Company. Two hundred mill-houses were constructed for the new workers. Other new businesses began to establish themselves such as a company store, a fifty-room hotel with a restaurant, a small hospital, movie theater, drug store, school, church, and short line railroad. Edward Hines died in 1931 of pneumonia and the mill closed down in 1933 because all of the pine trees in the county were cut down. Most of the workers moved away and The Kiln dwindled to a small village again. During the Depression The Kiln became a virtual ghost town with no major industry.

The economy in The Kiln in the first half of the Twentieth Century was mostly agrarian. To wit, this typical Southern rural economy was principally composed of timber, cattle breeding,

dairying, and farming. Thus, the story of The Kiln and its rebound from the Depression to a modern, multifaceted prospering marketplace is in no small part about hard-working core families with names such as Ladner, Favre, Ne-caise, Cuevas, McLeod, Crump, Haas, and Whitfield. Moreover many of these familiar family names have been recorded numerous times in the history of the Kiln for over two hundred years.

Farmers in the Kiln were poor during the Depression, but vegetable gardens, hunting, and local seafood kept local families from starving. Prohibition in Mississippi lasted from 1908 to 1966. Even so Kiln reputedly supported fifty kilns producing bootleg whiskey or moonshine during this time. Fortunately the Coast Electric Power Association was organized in 1938, and 150 miles of electric lines were completed with the objective of providing homes and farms in rural areas such as

the Kiln with affordable electricity.

McLeod Park was created in 1975 with NASA donating the land from its buffer zone. The Pearl River Basin Development District built the park, and Hancock County built the roads and parking areas. Norton Haas was influential in this activity, and the park is named in memory of his aunt and uncle, Albert and Virginia McLeod. This jewel of a recreational park on the Jourdan River provides fishing, boating, hiking areas as well as a baseball field, picnic pavilion, and a playground area for families.

Response from the Hancock County Republican Executive Committee

To Whom It May Concern:

Regarding an article submitted by a Guest Columnist to The Sea Coast Echo and published in the October 10, 2024, edition, the Hancock County Republican Executive Committee (HCREC) respectively offers the following comments.

The theft and vandalism of campaign signs is most certainly not limited to The Democratic Party. There have been many Trump/Vance signs stolen or damaged in Hancock County over the past few weeks.

We absolutely condemn this type of behavior and have asked our Committee and oth-

er volunteers to refrain from inappropriate behavior, including social media posts, during this campaign season.

Mr. Sauer was correctly informed that the Hancock County Republican Executive Committee does not have a permanent headquarters, however we do operate

two campaign offices, one in Bay St. Louis, the other in Diamondhead.

He was, however, incorrect in his comments regarding “no one to warn on that side of the political fence” as we have spoken with City officials regarding the regulations and Volunteer workers at both

locations have been instructed to advise patrons regarding local ordinances.

In an effort to promote civility during this election season, perhaps Mr. Sauer would consider reaching out “across the political fence” if he has a grievance about an issue he would like to discuss. It seems to me that it would be more beneficial for “both sides of the political fence” to work together to defend our most basic right, as American Citizens, which is Freedom of Speech.

ing underwater drones, a portable planetarium and flight simulators. This year's event promises to be nothing short of extraordinary now that the Hancock County Port & Harbor Commission has come in as a title sponsor, extending the expo to Port Bienville and beyond. There will also be more of an emphasis on Hancock County's ties to the military. The kickoff ceremony will include a military flyover, the posting of the colors by the Bay High School ROTC, and a performance of patriotic music by the Gulf Coast Choral. Children will be especially delighted by Port Air Space Day thanks to the Hancock County Library System's participation. They will bring their 360 photo booth and a 40 ft. interactive story walk. They will also sponsor an Alien Costume Contest at 1:30pm in front of the Courthouse. The costume contest is open to all ages, from babies to adults and does not require an entry fee. Participants can register onsite, but pre-registration is encouraged. Visit the Hancock County Library System's Facebook page for registration information.

Bud & Burgers in the Bay The idea to hold Bud & Burgers in the Bay in conjunction with Port Air Space Day also came about in 2023. Sponsored by Mitchell Distributing and the Hancock Chamber of Commerce, Bud & Burgers in the Bay is a family-friendly grilling competition geared toward finding who makes the best burger around. This year's event will feature even more for folks to enjoy including live music by the Dave Mayley Band, a Jumbotron tuned to college football all day and a beer garden. Admission to Bud & Burgers is only \$20 for adults, which includes unlimited burger tastings while supplies last and 2 drink tickets. Admission for children is only \$5 and includes unlimited burger tastings and 1 drink ticket. Additional drinks may be purchased. Whether you're a space enthusiast, a food lover, or just looking for a fun family day out, Veterans Weekend in Bay St. Louis has

something for everyone. With two dynamic events taking place side by side, it's sure to be a weekend to remember. Don't miss this chance to celebrate the community's rich connections to NASA, the military, and, of course, great food! Port Air Space Day in the Bay is presented by Partners for Stennis & Michoud in partnership with Coastal Mississippi and Visit Mississippi. Commander Level 1 sponsors include Aerojet Rocketdyne, An L3Harris Technologies Company; Goldbelt Integrated Logistics Services, KBR, Lockheed Martin, Relativity Space, Sabic and Work for Warriors Mississippi. Lodging partners include Bay Town Inn, Hollywood Casino Gulf Coast and the Pearl Hotel. Bud & Burgers in the Bay is presented by Mitchell Distributing, the Hancock Chamber of Commerce and Silver Slipper Casino Hotel in partnership with Visit Mississippi, Coastal Mississippi and Froegel's. Lodging partners include Bay Town Inn, The Driftwood Motel and Silver Slipper Casino Hotel.

SAMHAIN

Continued from Page 5

By A.D. 43, the Roman Empire conquered the majority of Celtic territory. During their 400-year rule, two festivals of Roman origins were combined with Samhain. The first was Ferialia, when Romans commemorated the passing of the dead. The second was to honor Pomona, the Roman goddess of fruit and trees, the website states. In America, the celebration of Halloween was "extremely limited in colonial New England because of the rigid Protestant belief systems there. Halloween was much more common in Maryland and the southern colonies," the website states. When the beliefs and customs of the European groups and the American Indians began to meld, an American version of Halloween began. The first celebrations included "play parties," which were pub-

lic events held to celebrate the harvest. People would share stories of the dead, tell each other's fortunes, dance, and sing, the website states. During the second half of the 19th century, America was "flooded with new immigrants. These new immigrants, especially the millions of Irish fleeing the Irish Potato Famine, helped to popularize the celebration of Halloween nationally." Americans, borrowing from European traditions, began to dress up in costumes and go house to house asking for food or money, what is now known as trick-or-treating, the website states. Young women also believed that on Halloween, they could learn the name or appearance of their future husbands by doing tricks with yarn, apple parings, or mirrors, the website states. During the late 1800s, Americans made the move to turn Halloween into a holiday more about "community and neighborly get-togeth-

ers than about ghosts, pranks, and witchcraft." "Parents were encouraged by newspapers and community leaders to take anything frightening or grotesque out of Halloween celebrations," the website states. "Because of these efforts, Halloween lost most of its superstitious and religious overtones by the beginning of the 20th century." It is estimated that Americans spend about \$6 billion annually on Halloween, the website states. There is so much more to learn about this holiday and I recommend visiting www.history.com to learn more. It talks about the superstitions surrounding black cats, which many believed brought bad luck if you crossed paths with one. As the proud mama of black cats, I can safely say, that my bad luck has remained the same, but my little bundles of fur have brought joy and not terror. (Okay, okay, sometimes Duke terrifies me with his antics).

With most holidays that only seem to center around making money, I appreciate the historical context surrounding Halloween aka Samhain. Wouldn't it be just refreshing to go back to some kind of community feeling that mostly involved taking care of each other, honoring the departed, and less about how much candy was received and/or who has the bigger trunk or treat or Fall Festival? Today, I'm traveling to Texas with my parents to visit the nephew for a long weekend. I already know what his costume will be, but there will be no spoilers here. Insert fun fact: According to my own lore, I took my first steps on Halloween, just a couple of days shy of my first birthday. So for that, Halloween will always be special to me. Values

C. Gerald Richardson, D. MIN.

One of the most important qualities which can guide the life of a person is that of the values by which he or she chooses to live. A

well-known admonishment of scripture is that it is important not to “live by bread alone”. Of course, everyone needs the nourishment which is necessary to sustain human life. However, the biblical quote is not limited to physical food. It includes the recognition that there is more to life than basic needs. It is essential that human beings establish a value system by which to live in relation to others. We may possess all the material goods that we can accumulate, live in the finest homes, have the largest bank accounts, and enjoy any number of other benefits, but without a solid

sense of integrity life will be empty. This truth can be hard to learn. Conventional wisdom and the power of advertising often pull us in other directions. It can even convince us that the more we possess, the more satisfied we will be. Our culture tends to call us in the direction of acquisition. Before we realize it, we can be drawn into an understanding of life which offers physical and material satisfaction, but which leaves us with an empty and unfilled spirit. This truth does not mean that we are all called to be monks (although there

are many who find great meaning in such a life). It does offer the recognition that when material gain or economic well-being is our main priority, we are likely to miss many of the most rewarding and important experiences of life. Father Tucker Dawson (Ted), who is a fellow member of our coastal community and a retired Episcopal priest, has written an important book entitled, I Don’t Believe That Either.....However. The book contains many thought-provoking and significant truths. One that seems especially important is his claim that the

essence of spiritual faith is relationships. Reading this significant work, I was struck by the realization that a well-lived life is not likely to be found in the things I possess, the power and influence I acquire, or even in the beliefs I hold. The strength, the satisfaction, and the hope of life is found in the relationships we build, the good we can do, and maybe even in the grace that we can offer to those who need it most. It would be a challenge to find a more biblical notion than this. It is at the heart of the teaching of Jesus as we find it in the Christian scripture. It is also essen-

tial to Hebrew thought, and a strong argument can be made that this insight is important in most of the great religions of the world. The stories are often different. The theological and philosophical perspectives may vary. The truths are profoundly consistent. We live in relationships. Religion, community life, politics, economics, and much more are enriched as they are guided by this insight. The values by which we live determine the quality of human experience. All of us would do well to spend time in reflection on that which provides essential meaning to our lives.

Correction:

In last week’s devotional column, “Election Thoughts,” the time for the silent prayer and meditation was listed for 5 p.m. That was in error. The silent prayer and meditation will be held on Nov. 3 at 4 p.m. at Gulfside Assembly, located at 950 S. Beach Boulevard, Waveland. We apologize for any inconvenience this may have caused.

PET
OF THE WEEK

MEET ROMY.

Our volunteers don't often pick "favorites" amongst our pups, but it is difficult not to be completely smitten and in love with this baby, quite possibly the sweetest girl at our shelter! Romy, a 2 year old Black-Mouth Cur mix, obviously belonged to a family very recently. A home with a fenced backyard is a must, because this gal loves to romp-n-play with her doggie and human pals in our exercise yard. She would be a devoted companion for a single person, couple or active retirees, as well as a trusted family pet. Romy is a Jewel, and she deserves a family as awesome as she is! Please come in during our visiting hours, (Mon, Wed-Fri 10am-3:30pm; Tues 2pm-3:30pm), with your family and dog(s) to meet sweet Romy. Or, you may call our front desk at 228-466-4516 to schedule an appointment. You may also TEXT 985-285-2244 to arrange an after hours or weekend meet-n-greet. You will fall in love with Romy.

THE SEA COAST ECHO

BULLDOGS BASH ROCKS 50-28

BY JOSEPH W. GEX II
STAFF WRITER

The Saint Stanislaus Rock-A-Chaws took a road trip to New Augusta on Friday night for a Division 8-3A date with the Perry Central Bulldogs.

The Bulldogs (4-5, 2-1) bashed the Rocks with a balanced running and passing attack from Austin Jones who threw for 355 yards and four touchdowns on 18-for-29 passing and rushed for 86 yards on 11 carries.

SSC head coach Tate Thigpen commented, “We played hard throughout the game, but we were not able to make plays when we needed to make them. We have to get some guys healthy so they can perform at their best level. We will have a hard week of work to get focused for West Marion

coming on Halloween.”

The Rocks (4-5, 1-2) scored on their opening possession of the game as Sam Grant connected with Adam Oliver for completions of 14, 13, 12, and 8 yards with the last one being a touchdown with 8:55 left in the first quarter. Evan Noel converted on the PAT to make the score 7-0.

The teams swapped possessions before Jones and Company scored on a 25-yard scoring toss from Jones to Brayden Weathers with 3:30 left in the first half. Andrew Whitney broke through the line to block his sixth kick this season leaving the score 7-6.

On the ensuing possession, Evan Noel fell short on a 49-yard field goal attempt leaving the score 7-6 with 1:13 left

in the first quarter.

Jones found Weathers for a 55-yard scoring aerial on the third play of the next drive. The PAT missed wide left keeping the score 12-7 with four seconds left in the first quarter.

The Rocks went on a 13-play drive to open the second quarter of play culminating with a one-yard scoring run by Max Rhodes with 6:03 left in the first half. Noel converted the PAT to make the score 14-12.

The Rocks forced a fumble on the ensuing drive by the Bulldogs and Alston Davidson recovered the loose ball at the Rock 47-yard line.

A heavy dose of Max Rhodes on the next drive with carries of 33, 10, 7, and three yards with the last one being a scoring dive with 1:46 left before

halftime. Noel’s PAT gave the Rocks a 21-12 advantage.

The Bulldogs were not done as they put together a 12-play drive in the last 1:46 that was aided by two personal foul penalties by the Rocks. The drive ended with a six-yard scoring toss from Jones to Weathers and a two-point conversion run made the score 21-20 at halftime with the Rocks out front.

To start the second half, the Rocks came out on offense and put together a 10-play drive that was highlighted by a 22-yard pass to Oliver and a 10-yard snag by Christian Haas. The drive ended with a two-yard run by Brayden McDonald. Noel’s kick made the score 28-20. But it would be all Bulldogs after that.

The Bulldogs answered

on the next drive with a 10-yard run by Cephus Pruitt with 5:50 left in the third quarter. A two-point conversion toss was good knotting the score at 28-28.

The Bulldogs would add two more scores by Pruitt on runs of eight and one yard. The Bulldogs final score of the game came on a four-yard toss from Jones to Kayden Griffin.

Weathers finished with eight catches for 184 yards and three scores and Pruitt had 14 carries for 76 yards and three touchdowns.

Adam Oliver ended the game with six catches for 84 yards and a touchdown while Rhodes had 54 yards on 17 carries and two scores.

Whitney had a solid defensive stat line with 10 tackles with two

sacks, two hurries, and a blocked PAT. Finn Williford had 13 tackles and Lance Vaughn finished with 12 tackles.

The Rocks entered the game against Perry Central with a chance to win the division title but now can finish no higher than fourth and will be on the road for the first round of the Class 3A state playoffs. The Rocks will make their 21st playoff trip since 2002 and 12th consecutive. The opponent will likely be Noxubee County on Friday, November 8.

The Rocks will hold Senior Night on Halloween tonight against Division 8-3A champion West Marion to close the 2024 regular season. Kickoff is set for 7 p.m. ‘between the walls.’ See you at the game!

TIGERS STUNG BY HORNETS 49-7

BY JOSEPH W. GEX II
STAFF WRITER

The Bay High Tigers opened their game with the Poplarville Hornets on Friday night with a great drive down the field of 60 yards and scored on a quarterback sneak by Xander Ladner with 5:30 left in the first quarter. The PAT was good making the score 7-0.

Poplarville returned the favor and drove the length of the field for a touchdown to even the score.

The Tigers ran into some bad luck on their next four possessions of the first half and were not able to get anything going. The Tigers closed the first half of action punting, throwing an interception, punting, and

throwing a second interception as Poplarville scored on all four of their first half possessions to make the score at intermission 28-7.

To open the second half of action, it appeared that the Tigers recovered an onside kick attempt but were whistled for off-sides. The Tigers forced a fourth down and one situation only to allow the first down. Then, the next play the Hornets increased their lead to 35-7 with a touchdown.

The Tigers’ bad luck on offense continued in the second half as their drives ended in fumble, fumble, and interception.

Bay High head coach Jeremy Turcotte stated, “All the credit goes to Poplarville. They are very efficient in what they do and put you in

a bind with their offense outnumbering you at the point of attack. They continue to grind yards out on the ground. Then, they can sneak by you in the passing game for some big plays. When you play them, you have to keep up with them and go score for score. We just had too many mistakes to stay in the ball game and it got away from us. We have to put this one behind us, have a strong week of practice, rally, and be focused for Pass Christian. I am proud of the players. They did not quit playing hard despite the number of mistakes committed. This week is all about pride, playing a big rival in our last regular season game, and find some momentum heading into the playoffs.”

Ladner finished with 101 yards passing on 10-for-18 passing but had three interceptions. Jaylen Antoine had 16 carries for 52 yards while Jackson Callaway

led the receivers with six catches for 48 yards. On defense, Sage Fayard led the Tigers with 11 tackles followed by Nemo Sowders and Trevion Allen with seven stops

each.

The Tigers (2-7, 1-2) make the short trip across the Bay Bridge for the annual tilt with Pass Christian. Kickoff is set for 7 p.m.

OLA’S FAVRE NAMED MISS VOLLEYBALL FOR CLASS 3A

BY JOSEPH W. GEX II
STAFF WRITER

The honors for Our Lady Academy volleyball keep coming in as, recently, junior Myah Favre was named Miss Volleyball for Class 3A.

Favre has been in the rotation for the Crescents since her eighth-grade year. As an 8th-grader, Favre tallied 217 kills, and the sky was the limit for her from that point on.

In her freshman year, Favre jumped to 532 kills with 166 points, 72 aces, 34 blocks, and 59 digs. As a sophomore, Favre managed 474 kills with 187 points, 54 aces, 79 blocks, and 120 digs. And, in 2024 Favre has

collected 575 kills with 234 points, 76 aces, 65 blocks, and 181 digs.

Favre commented on the honor, “This is a tremendous honor. I remember seeing the presentation and recognition for the girls last year. When they informed me that I was being honored, I almost cried. Having the recognition that comes with it pushes me to play harder. The bigger the stage, the better I want to play for teammates, especially the younger ones. I want them to get that experience.”

Favre has been at OLA for four years and it seems to have flown by. She added, “It does not seem like I have been

here that long, but it is going by so fast. I will be extremely sad when it is over. I am not sure what I will do when that time comes, but it has been a true blessing for me to be here at OLA. I have tremendous thanks for teammates always being there for me and admiration for my coaches who push me to be the best that I can be on and off the court.”

In addition to the three Class 3A state titles to her credit, Favre has been selected for the All-Region 8-3A team 2021-23, All-State Tour-

OLA head coach and athletic director Emily Corley talked about Favre, “Myah is so deserving of this award. She has a love for the game that can only be understood by watching her play. She is a force on the court with amazing energy. What makes her even more special is what a wonderful young lady she is on and off the court. Myah draws peo-

ple to her and has a presence about her! It has been an honor to coach her the past four years.”

HAWKS FALL TO PANTHERS 42-27

BY JOSEPH KEYS
CONTRIBUTING WRITER

The Hancock Hawks were defeated by the Pascagoula Panther by a score of 42-27 at Brett Favre field in Kiln on Friday night.

The Panthers won the toss and elected to defer until the second half. However, the Panthers were successful on their sides kick and took over at the Hawks' 48-yard line. Both defenses were outstanding for the majority of the first quarter.

The Panthers took over on their possession of the first quarter and went on a nine-play 57-yard drive.

That ended with four-yard touchdown run by junior running back Amarie Jackson, the point after was good by kicker Mason Cramer and with 1:18 left to play in the first quarter, the Panthers led 7-0 to end the first quarter scoring.

On the ensuing kick off, the Panthers attempted another on side kick; however, the Hawks' special teams came up big and recovered the kick. The Hawks were in business with the ball at the Panthers' 48-yard line. The Panthers defense forced Hancock to turn the ball over on downs. The Panther would then go 58 yards in eight plays that resulted in a Jaden Davis quarterback keeper for a touchdown and with 9:57 left in the second quarter, Pascagoula led 14-0, after the successful PAT By Cramer.

The Hawks offense came alive on the very next possession, answering the Panthers' touchdown with a touchdown drive of their own. The Hawks took advantage

of a great field position following another failed on-side kick by the Panthers. The Hawks got back into the game quickly by going 48 yards in seven plays and scoring on a sensational 19-yard touchdown run by quarterback Kaison Koenenn. The PAT by Mr. Reliable Sam Powell was good and with 8:34 left to play in the first half, the Hawks trimmed the lead to 14-7.

On the ensuing kickoff, the Hawks gave the Panthers a taste of their own medicine and recovered an on-side kick at the Panther 50-yard line. However, the Panthers defense forced the Hancock offense to turn the ball over on downs and took over at their own 41-yard line.

The Panthers capitalized quickly by scoring on a one-play, 59-yard touchdown run, from Jaden Davis to Darius Carter, and with 6:39 left in the second quarter, the Panthers were up 21-7 following the kick by Cramer

On the Hawks' next possession, the offense drove the ball all the way down to the Panthers 10 yard-line, before the drive stalled. However, Mr. Reliable was called on to attempt a 23-yard field goal, the result was good and with 2:54 left to play in the first half, the Hawks tightened the lead to 21-10.

The Hawks kicked off to the Panthers and once again, their special teams came up big when Brody Peterson recovered a fumble at the Panthers' 48-yard line. The Hawks took advantage of the turnover quickly when Alex Vincent dashed in from 16 yards out and

the never-quit Hawks cut the lead to 21-17 to end the first half scoring.

In the second half, the Panthers would distance themselves from the Hawks by scoring on the opening drive of the second half when Davis found Christian Campbell on the right side of the Hawks defense for a 53-yard touchdown strike. The point-after attempt was good and with 8:18 left to play in the third quarter, the Panthers increased the lead to 28-17. The Panthers scored again in the third quarter when Davis connected with D'lass Nunnery for a 59-yard touchdown, the PAT was good by Cramer to end the third quarter scoring at 35-17.

The Hawks still would not give up scoring with just 4:04 left to play in the game when Koenenn scored on a 20-yard touchdown run to cut the lead 35-24. On the Panthers' next possession, the Hawks defense forced a fumble that set the Hawks offense up at the Panthers' 16-yard line. The Panthers defense forced the Hawks to kick a field goal that was good by Powell and cut the lead to eight at 27-35. The Hawks attempted an on-side kick on the next possession; however, the Panthers recovered at the 24-yard line. It would take only one play for Davis to find Amarie Jackson for his second touchdown of the night. The PAT was good, to end the scoring and the game at 42-27. Hancock's Kaison Koenenn, was named player of the game. Koenenn rushed the ball for 146 yards and two touchdowns.

“We knew it was going to be a four-quarter game — they came out and took advantage of mistakes we made,” Panthers Head Coach Lewis Sims said. “Our defense stepped up and came up big, Hancock's got a heck of a good team, and they are going to do some good things.”

Hancock Coach Neil Lollar on his team's performance: “They put their head down every day and they come to work. This team has shown so much drive, they deserve more than their record shows. We can line up at any time and compete with anybody. We have to come in on Monday and get to work because next week is big.”

Hancock, 2-7 overall and 1-2 in district play, will travel to Long Beach

this Friday to take on the Bearcats.
